# Lessons from Leaders: Preparing Your Supply Chain Today for Tomorrow's Inevitable Supply Chain Disruptions and Uncertainties

Recorded at the June 2020 LogiPharma Digital Summit, this panel of renowned industry leaders and academic experts explores the necessity—and challenge—of building more agile and resilient pharmaceutical supply chains. Hosted by TraceLink's Chief Digitalization Officer, Roddy Martin, the panel cites examples from multiple industries to help pharmaceutical companies understand how they can respond more effectively when a disruption threatens the availability of critical medicines.
