A Guide to EU FMD for CMOs: Compliance, Collaboration and Business Opportunity

Contract manufacturing organizations (CMOs) are critical to helping their customers achieve EU FMD compliance, so understanding the requirements and the challenges and opportunities they present to you and your customers is the first critical step. This eBook includes important concepts and considerations for moving forward, and explains what CMOs in the EU are--and aren't--required to do to succeed as part of a fully compliant supply chain.
