# 6 Common Saleable Returns Myths Myths for Wholesalers

With 60 million returns each year and billions of dollars at stake, the DSCSA Saleable Returns Verification requirement will affect every wholesale distributor that distributes medicines in the United States. Yet many still don't understand what they need to do—or how long it will take. See the most common misconceptions—and why you can't afford to wait to implement your verification

solution.

### DSCSA Saleable Returns Verification Regulations

- **SALEABLE RETURNS VERIFICATION:** Verify product identifier for returned product prior to resale of product into the supply chain.
- **REQUESTS FOR VERIFICATION:** Upon receiving a request for verification from an authorized repackager, distributor, or dispenser, verify the product identifier and reply the requesting party within 24 hours.
- **PRODUCT IDENTIFIER:**
  - GTIN (MDC)
  - Serial Number
  - Lot Number
  - Expiration Date
