TraceLink to Present at BIO CEO & Investor Conference

TraceLink Inc., the World’s Largest Track and Trace Network for connecting the life sciences supply chain and providing real-time information sharing for better patient outcomes, today announced that Shabbir Dahod, President and CEO, will present at the BIO CEO & Investor Conference on Monday, February 12 at 3:00pm ET at the New York Marriott Marquis in New York, NY. The presentation will take place in the 5th Floor Westside Ballroom.

During his presentation, Dahod will discuss TraceLink’s expanding role as a digital health partner for the life sciences industry and its Life Sciences Cloud platform, a transformative information and data-sharing network for companies throughout the pharmaceutical supply chain.

With 265,000 life sciences companies, distributors, hospitals and clinics on its network, TraceLink has built the industry’s only end-to-end digital information sharing platform for the pharmaceutical supply chain.
