Take Action and Take Control: The Case for Serialized Product Intelligence

Serialized Product Intelligence has become one of TraceLink's most talked-about new solutions as companies continue to become aware of its ability to unlock the value of their fast-growing serialization data repositories.

Read [“Take Action and Take Control: The Case for Serialized Product Intelligence,”](#) to understand how greater visibility into your serialized supply chain can help you reduce costs, avoid risk, and achieve business growth. Topics include:

- Leveraging serialization data to activate 5 key drivers of business value
- Serialized operations: 4 critical business challenges
- Eliminating the serialization “black box”
- SPI in action: Russia compliance
- Contract Manufacturing: Improving customer service and retention
