How SPI Delivers “3 Pillars of Value” to Contract Manufacturers

TraceLink General Manager Bharath Sundararaman, provides an overview of the 3 Pillars of Value that SPI delivers to contract manufacturers: Improving customer service; invoicing on time while avoiding costs; and freeing up resources and capacity to grow their business.

Serialized Product Intelligence provides out-of-the-box capabilities designed to provide immediate visibility to near real-time data—and deliver measurable ROI within 30 to 45 days of implementation for companies of all sizes and at all levels of operational complexity—with no IT resources.
