DSCSA 2023 for Manufacturers: Critical 2022 Partner Requirements

On-Demand Webinar
Duration: Feb 23, 2022 - Feb 23, 2022

With less than 24 months until the final phase of the Drug Supply Chain Security Act (DSCSA) takes effect, all Trading Partners—including **Manufacturers**, Repackagers, and **Wholesalers**—must prepare now to meet the needs of their downstream Distributors or risk significant business disruptions after November 2023. Topics include:

- Preparing for EPCIS data exchange with your partners
- Timelines for partner onboarding, solution testing, and rollout
- The business risks of non-compliance

Who should attend?

- Regulatory compliance and quality
- IT and data management
- Supply chain and logistics
- Account and business management
- Serialization and line management
