Customer Update: Introducing the Industry 4.0 Platform for the Internet of Supply Chains

On-Demand Webinar
Duration: Jun 07, 2022 - Jun 07, 2022

The work that we have done together to create a digital track-and-trace network can be your foundation for supply chain transformation. Watch on-demand customer update with TraceLink CEO Shabbir Dahod to learn about the powerful capabilities of the OPUS platform and get a sneak peek at the latest product innovations being developed.

The TraceLink community has built the most powerful digital supply chain network in the life sciences and pharmaceutical industry! Together, we are improving the safety, security, and availability of products in the supply chain with TraceLink Track and Trace and Supply Chain Work Management solutions—and we welcome the opportunity to update you on our latest initiatives.

Get the most out of your investment in TraceLink.

Featured Speaker:

Shabbir Dahod

President & CEO of TraceLink
