Supply Network Digitalization: How to Improve Transparency and Collaboration with CMOs and Direct Suppliers

Integrate and interoperate with all suppliers on the Internet of Pharmaceutical Supply Chains

How can you leverage the Internet of Pharmaceutical Supply Chains to achieve greater supplier visibility, improve agility, and reduce disruptions? The experts at Supply Chain Management Review have the answer.

Read the new Supply Chain Management Review whitepaper, “Supply Network Digitalization: How to Improve Transparency and Collaboration with CMOs and Direct Suppliers,” and you will learn how to:

- Rapidly integrate with the systems of CMOs and key suppliers for complete transparency.
- Collaborate in real time on supply plans and purchase order requests.
- Speed up the execution of complex projects like tech transfers and new product launches.

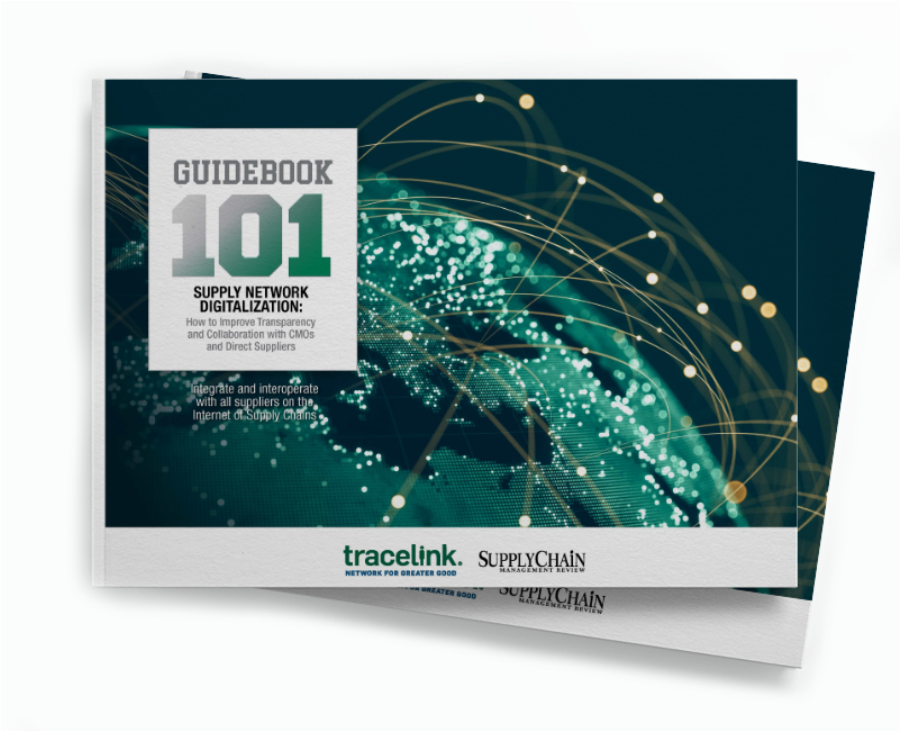

You will also learn how TraceLink supply chain work management (now POET) for
