How Phase 3 Companies Can Better Navigate DSCSA Serialization Requirements

Phase 3 companies go through periods of tremendous growth that force them to be very conscious of how they leverage their resources. This means tasks like establishing a serialization system often get deprioritized in favor of more critical initiatives.

In this video, Ulpiano Flores, Business Analyst at Converge Consulting, discusses what Phase 3 companies can do to build a foundation for a track-and-trace system that meets **DSCSA compliance** requirements for serialization without being a burden on their resources. Watch the video now!
