From Serialization to Aggregation: Sharp Packaging Provides DSCSA Compliance with TraceLink

As a contract packager, Sharp Packaging Solutions needs to be able to integrate with numerous pharmaceutical companies to send serialization data via an EPCIS shipping event. This requires configuring and maintaining unique custom connections to each customer.

In this video, Alexander Klemp, Senior Project Manager of Technical Service at Sharp Packaging Solutions, discusses how the **U.S. DSCSA** impacted Sharp and how TraceLink made it easy to integrate with 100+ companies. Watch the video now to see how Sharp reduced project lead times with TraceLink!
