DSCSA 2023 for Manufacturers: Critical 2022 Partner Requirements - Video

[Download the presentation slides \(PDF\)](#)

[Download the EPCIS Readiness Checklist \(PDF\)](#)

All trading partners, including manufacturers, repackagers, and wholesalers, must prepare now to meet the needs of their downstream distributors or risk significant business disruptions after the final phase of DSCSA goes into effect in November 2023. Watch this webinar and you will learn how to prepare for EPCIS data exchange with your partners and manage timelines for partner onboarding, solution testing, and rollout. You'll also learn about the business risks on non-compliance. Watch now!
