TraceLink Solves For: A Lack of Real-Time Collaboration Between CMOs and Pharma Companies

How can one global CDMO relieve competitive pressure to provide digital connections to its pharmaceutical company partners? TraceLink MINT, a powerful new solution that leverages the proven TraceLink network to enable fast, simple, and cost-effective integration between supply chain partners, is the answer.

In this video, Bharath Sundararaman, General Manager of Supply Network Orchestration at TraceLink, shows how the CDMO can use MINT to digitalize customer-facing processes, reduce manual processes, and support the data-sharing needs of various partners across the supply chain.
