HDA Distribution Management Conference

JW Marriott, Tampa, FL
Duration: Mar 02, 2025 - Mar 05, 2025

The Distribution Management Conference is HDA's largest supply chain event, gathering 500+ life sciences and healthcare companies to discuss pressing supply chain challenges.

Meet TraceLink at HDA Distribution Management Conference and Expo

Schedule a meeting with TraceLink at the 2025 HDA DMC and Expo to see how your DSCSA compliance investment can help you optimize critical supply chain operations, from improving logistics orchestration to accelerating product recalls. Discover how TraceLink can help you:

- Accelerate your path to DSCSA compliance while reducing total cost and risk with TraceLink DSCSA Compliance solutions.
- Leverage your DSCSA investment to improve supply chain logistics with real-time exchange of ASNs, shipping orders, and other critical transactions with MINT.
- Digitalize DSCSA exception collaboration with trade partners to speed up resolution times with Supply Chain Work Management for Compliance Exceptions.

- Pinpoint the location of recalled product using DSCSA data to speed up retrieval, improve inventory management, and minimize stockouts with TraceLink Digital Recalls.

Book your meeting today and see how TraceLink can help you capitalize on new business opportunities unlocked by your DSCSA investment.
