TraceLink Ranked #201 Fastest Growing Company in North America on Deloitte's 2018 Technology Fast 500™

TraceLink Inc., the world's largest integrated digital supply network, providing real-time information sharing for better patient outcomes, today announced it ranked #201 on Deloitte's Technology Fast 500™, a ranking of the 500 fastest growing technology, media, telecommunications, life sciences and energy tech companies in North America.

TraceLink, which achieved 480 percent growth from 2014 to 2017, is the #5 fastest growing software company headquartered in Massachusetts and the #10 fastest growing company overall in the state, to be ranked on the 2018 Deloitte Technology Fast 500.

As the world's largest integrated digital supply network, TraceLink connects the end-to-end pharmaceutical supply chain, with over 1,000 customers and more than 270,000 trading partners, providing a patient-centric, digital information-sharing ecosystem that

crosses the globe to maximize the efficacy, quality, safety, security and availability of pharmaceutical products.

“We are honored to be named by Deloitte as one of the nation’s fastest growing companies for the fourth year in a row. This recognition further exemplifies TraceLink’s market leadership and our enduring commitment to invest and innovate in an industry that truly impacts human life,” said Shabbir Dahod, president and CEO, TraceLink.

“Congratulations to the Deloitte 2018 Technology Fast 500 winners on this impressive achievement,” said Sandra Shirai, vice chairman, Deloitte LLP, and U.S. technology, media and telecommunications leader. “These companies are innovators who have converted their disruptive ideas into products, services and experiences that can captivate new customers and drive remarkable growth.”

“Software, which accounts for nearly two of every three companies on the list, continues to produce some of the most exciting technologies of the 21st century, including innovations in artificial intelligence, predictive analytics and robotics,” said Mohana Dissanayake, partner, Deloitte & Touche LLP, and Industry Leader for technology, media and telecommunications, within Deloitte’s audit and assurance practice. “This year’s ranking demonstrates what is likely a national phenomenon, where many companies from all parts of America are transforming the way we do business by combining breakthrough research and development, entrepreneurship and rapid growth.”
