Bahrain Compliance: Leveraging Your TraceLink Advantage

As of October 1, 2021, MAHs that export products directly to Bahrain must comply with the Kingdom's compliance reporting requirements. For companies that distribute medicines in Bahrain, the fast-approaching deadline means that they must act quickly. Watch this video to learn about the new Bahrain Special Interest Group and understand how TraceLink gives customers a proven foundation for achieving Bahrain compliance.

Bahrain Compliance: Leveraging Your TraceLink Advantage

Join the Bahrain Special Interest Group

On May 6, our TraceLink Community team will be launching a Bahrain Special Interest Group (SIG) for TraceLink customers to discuss preparations for the upcoming October deadline. To register, [visit the TraceLink communication preference center](#):

- Select “Join the TraceLink Community” checkbox
- Once the new options appear, select the “Bahrain” check box
- Scroll to the bottom of the page and select the “Update Communication Preference” box to submit your request
