Smarter Management of Exceptions to Plan: How Supply Chain Leaders are Applying Industry 4.0 Strategies to Complex Disruptions - Video

The image is a webinar title slide. The background is dark blue with a pattern of white binary code (0s and 1s) and several white dotted lines connecting different points, resembling a network or data flow. In the top right corner, there is a small video inset showing a man with short hair, wearing a light-colored shirt, identified as Renaud Delcroix. The main text on the slide is white. The title "Supply Chain Disruption – A Customer Perspective" is centered. Below it, on the right side, is the name "NOAM RIBON" and his title "CEO, GlowBall". In the bottom right corner, the "tracelink." logo is visible. In the bottom left corner, there is small text that reads "© 2021 Tracelink, Inc. All rights reserved."

Join experts from Supply Chain Media, GlowBall Partners, and TraceLink for this on-demand webinar to see the results of a new survey of supply chain leaders and learn about the latest digital strategies that can help your planning teams resolve exceptions faster, eliminate root causes of recurring exceptions, and speed up order cycle times.

You'll hear from Supply Chain Media's Martijn Lofvers, who will reveal the top supply chain leadership challenges of 2022, and get a firsthand look at how manufacturers are using digital technology to connect with suppliers in real time to ensure rapid issue resolution. Watch it now!
